

MTS Announces First Quarter 2010 Financial Results

Ra'anana, Israel –May 13, 2010 – MTS – Mer Telemanagement Solutions Ltd. (Nasdaq Capital Market: MTSL), a global provider of business support systems (BSS) for comprehensive telecommunication management, telecommunications expense management (TEM) solutions and customer care & billing (CC&B) solutions, today announced its financial results for the first quarter of 2010.

Revenues for the first quarter of 2010 were \$2.9 million, compared with \$2.8 million in revenues during the same quarter last year and revenues of \$2.7 million in the fourth quarter of 2009.

The Company's operating profit was \$33,000 in the first quarter of 2010 compared to an operating loss of \$322,000 for the first quarter of 2009. Net loss for the first quarter was \$2,000 or \$(0.00) per diluted share, compared with a net loss of \$264,000 or \$(0.06) per diluted share in the first quarter of 2009. All numbers relating to our ordinary shares and earnings per share have been adjusted to reflect the reverse stock split that became effective on March 2, 2010.

“Our first quarter results were generally in line with our expectations for improved operating results. They reflect the focus we placed on improving our implementation processes while closely monitoring our overall costs,” said Eytan Bar, CEO of MTS. “The Company sees market opportunities and is ready to leverage our solutions. NEC America recently launched a Telecom Expense Management services powered by our AnchorPoint solution and in addition we became a Gold partner with Panasonic Communications for our call accounting solution. These two partnerships reflect our strategy to grow our Telecom Expense Management activity through business partners. In addition, we successfully implemented an MVNO billing solution in a managed services model for a client in the U.S.” concluded Mr. Bar.

The Company also announces today that Mr. Lior Salansky has determined to resign from his position as president of the Company to pursue other business opportunities. Mr. Salansky will continue to contribute his experience in his role as a director of the Company.

About MTS

Mer Telemanagement Solutions Ltd. (MTS) is a worldwide provider of innovative solutions for comprehensive telecommunications expense management (TEM) used by enterprises, and for business support systems (BSS) used by information and telecommunication service providers.

Since 1984, MTS Telecommunications' expense management solutions have been used by thousands of enterprises and organizations to ensure that their telecommunication services are acquired, provisioned, and invoiced correctly. In addition, the MTS's Application Suite has provided customers with a unified view of telecommunication usage, proactive budget control, personal call management, employee cost awareness and more.
