6-K Item

1. MTS Receives Nasdaq Listing Determination; a Hearing is Scheduled and a Reverse Stock Split is Announced.

MTS Receives Nasdaq Listing Determination; a Hearing is Scheduled and a Reverse Stock Split is Announced

Ra'anana, Israel / River Edge, NJ, USA – August 24, 2017 – Mer Telemanagement Solutions Ltd. (MTS) (Nasdaq Capital Market: MTSL), a global provider of telecommunications expense management (TEM), enterprise mobility management (EMM) solutions, and video advertising solutions for online and mobile platforms (the “Company”), today announced that it received a notice from the Listing Qualifications Staff of NASDAQ Stock Market LLC indicating that unless the Company timely requests a hearing before the Nasdaq Listing Qualifications Panel (the “Panel”), its securities would be subject to delisting from The Nasdaq Capital Market based upon its non-compliance with the minimum bid price requirement, as set forth in Nasdaq Listing Rule 5550(a)(2), and that the Company does not qualify for the additional cure period of 180 days.

The Company requested a hearing before the Panel and a hearing has been scheduled for October 5, 2017. The delisting action is stayed pending the Panel’s determination and the Company’s ordinary shares will continue to trade on The Nasdaq Capital Market pending the issuance of the Panel’s decision following the hearing and the expiration of any extension granted by the Panel.

The Company has begun the process to effect a one (1) share for three (3) share reverse split to regain compliance and expects that on September 5, 2017, subject to receiving Nasdaq approval, it will consummate the reverse stock split of the Company’s issued and outstanding shares. The reverse split was approved at the Company’s Annual Meeting of Shareholders held on August 13, 2017. The reverse split is expected to cure the deficiency (the Company’s share price must rise above the minimum \$1.00 per share for at least 10 consecutive days).

Upon completion of the reverse split, one ordinary share, NIS 0.03 nominal value per share will be exchanged for three ordinary shares NIS 0.01 nominal value. No fractional shares will be issued as a result of the reverse split. As of August 23, 2017, there were 9,356,566 ordinary shares outstanding and after the reverse split there will be approximately 3,118,855 ordinary shares outstanding.

The exchange agent for the reverse split is American Stock Transfer & Trust Company, whose address is 6201 15th Avenue, Brooklyn, N.Y. 11219 (tel: (718) 921- 8317 or (877) 248-6417). Once effective, the post-split shares will trade on the Nasdaq Capital Market under the same symbol “MTSL”.

About MTS

Mer Telemanagement Solutions Ltd. (MTS) provides digital advertising solutions for online and mobile platforms and call accounting and TEM solutions and services.

MTS's Vexigo (www.vexigo.com) subsidiary provides digital advertising solutions for online and mobile platforms, and leverages them to offer advertising optimization services to advertisers and website owners.
